- ¹ The Agreement between the Government of Quebec and the federal government does not include the implementation of the Canada Job Grant. Consequently, Quebec will act as an observer on the work relating to the review of the Canada Job Grant.
- ² Considering the uniqueness of its apprenticeship system, Quebec will participate as an observer in apprenticeship harmonization efforts.
- ³ While the Quebec government has not endorsed the Pan-Canadian Framework for the Assessment and Recognition of Foreign Qualifications, it supports its principles and agrees to share public reports already made to its citizens, notably those tabled at the National Assembly.
