RE: Support Letter for a 24 hour Palliative Care Facility and Elders Facility

Dear MR. Sammurtok

Kivalliq Inuit have been voicing their need for a 24 hour Palliative Care Facility and Elders Facility in the Kivalliq Region to the KIA board at various board meetings throughout the years and they have also been expressing these concerns to KIA board members.

The Kivalliq Inuit Association recognizes the need for a 24 hour Palliative Care and Elders Facility and supports your initiative to use the prior Children's Group Home facility as a temporary building in Rankin Inlet until such time a new facility is constructed in Rankin Inlet.

KIA believes this is in the best interests of Kivalliq Inuit and will be beneficial for all Kivalliq communities.

Sincerely,

David Ningeongan
President
Kivalliq Inuit Association
