RE: Calm Air Flight 228 and First Air flight 702

We, Leo and Leonie Mimialik agree for Chesterfield Inlet to have Calm air ATR flight 228 to start coming into Chesterfield Inlet, as it departs Rankin Inlet at 20:15 to Baker Lake, we request for it to come in to Chesterfield before heading to Baker Lake.

If calm air would have this connection; it would make it a lot easier for medical travelers like us elders to leave Winnipeg at 4PM on First Air instead of 7:30AM. We (patients) have to be at the airport by 5AM and it is very difficult for us elders to be travelling at an earlier time

Thank you in advance

The community of Chesterfield Inlet is requesting flight 228 (ATR) that depart Rankin Inlet at 20:15 to Baker Lake to be able to come into Chesterfield Inlet in the evenings before heading to Baker Lake.

This would make it possible for all passengers that travel from Winnipeg MB, to Chesterfield Inlet, NU to depart Winnipeg, MB at 16:00 on First Air Flight 702 and arrive to Rankin Inlet at 18:30, instead of 7:30AM.

The First air flight that leaves YWG at 7:30 is very difficult for elders and all passengers especially that have to be at the airport at 5AM, this way if Calm Air flight 228 (evening flight) can connect to Chesterfield Inlet would make it possible for all passengers to go on First Air passengers to leave YWG at 4PM
