**Need For Hunters' and Trappers' Office Building**

Since the Nunavut Land Claim Agreement was signed, it seems that NTI did not make any plan for HTO's to have their own office Building.

Our HTA has struggled with office/meeting space for many years.

We understand that the old "Adult Education Building" in Arctic Bay will soon be empty.

We are asking you to assist us to secure a building that this HTA can call its own.

The HTA is an important organization in the Land Claim Agreement.  
 We need to have more prominence in the community like other important agencies.

We are also writing to NTI, QIA, and QC for assistance to get our own office.

We would welcome an opportunity to meet with you for a discussion.

Thank you.
