To Whom It May Concern,

As Christmas draws near once again, we have begun to begin our planning for Christmas 2004 for the children and families of Kugluktuk.

Last year we offered a Christmas present to each child 12 years of age and under for an approximate listing of 500 kids. Including a present for each child who came to Santa's Christmas Party including a candy bag treat.

We were also able to deliver Food Hampers to 117 homes consisting of the basic staples foods of tea, coffee, sugar, cereals, rice and soups just to name a few items. The food hampers did not include Turkeys or Ham for every home although we did share turkeys with 30 homes.

For Christmas 2004, the committee would like to ensure that we reach out to children whom are 13 years of age as well as delivery to 200 homes with either a turkey or a ham.

Last years success was based upon the hearts of Kugluktuk residents who gave what little they can share to make our community Christmas a success during the difficult times of the residents lives, especially for those whom are grieving the losses of family during 2003.

The local committee was able to share the spirit of Christmas with a dollar figure of \$12,000 dollars. These dollars were raised through special fund raising events sponsored by a working group of volunteers.

With an expectation to reach out to more youth and families it has become a reality that outside support would be necessary to allow the Christmas 2004 Committee to be a success. The committee will be fund raising once again, but your support of a generous donation will be highly recognized by the committee for us to reach our goal.

Thank you for your consideration of this worthy cause, and I look forward to a positive response for the children and families of Kugluktuk.
