## **Baker Lake to host Legislative Assembly**

**IQALUIT, Nunavut (March 12, 2003)** - The Members of the Legislative Assembly of Nunavut have selected Baker Lake to be the host community for the spring sitting of the Legislative Assembly.

Glenn McLean, MLA for Baker Lake, commented on the decision to bring the Assembly to his home community, "I am pleased that my constituents will have the opportunity to welcome the Assembly back to the Kivalliq. I know that the community is enthusiastic about having the opportunity to see in person Nunavut's elected Members at work."

The Legislative Assembly held sittings in Rankin Inlet during February 2000, Cambridge Bay during May 2001, and Pangnirtung in October 2002. Dates for the Baker Lake sitting will be announced shortly.
