Re: "Hamlet of Chesterfield Inlet request to Join Naujaat in a new Constituency riding"

Good Morning

Our Hamlet Council convened our Regular Council Meeting on July 12 2023 and discussed the letter recently received from Justice S. Cooper of the Nunavut Electoral Boundaries Commission in which she requested that our Hamlet provide direction to them regarding the possible reconfiguration of our constituency in the Kivalliq region. After discussion, I am pleased to state that our Hamlet Council does wish to be considered in a new riding which would encompass Naujaat and Chesterfield Inlet.

COUNCIL MOTION # 07 12 08 - Authorizing the Electoral Boundaries Commission to formally request to the Legislative Assembly of Nunavut that our Hamlet of Chesterfield Inlet be allowed to merge with the Hamlet of Naujaat into a new constituency.

Moved by: Councilor Doriana Sammurtok -Seconded by: Angeline Simik

All in favor - Motion Carried.

I feel that this merger would be in the best interests of both Kivalliq Hamlets.

Sincerely,

Mayor Tony Amauyak
