Dear Colleagues,

During my appearance before the Committee of the Whole on March 5, 2025, I committed to providing members with information on academic courses currently offered in Nunavut schools.

Please find attached a table outlining the grade 10-12 courses offered in each community in the following subjects: Math, Chemistry, Applied Physics, Physics, Biology, English, Inuktitut, Inuinnaqtun, Aulajaaqtut, and Social Studies.

Graduation pathways provide options to support diverse student goals. The course codes that end in **the -1 stream** are academic, preparing students for university with advanced coursework. The **-2 stream** is general, offering flexibility for college, technical training, or some university programs. The **-3 stream** focuses on practical skills for direct entry into the workforce or trades. Each pathway ensures students are prepared for their chosen future.

Courses leading to university or advanced college programs include:

- Math
  - Math 10C
  - Math 20-1
  - Math 30-1
  - Math 31
- Sciences
  - Chemistry 20
