**RE: Request to add contractors' list to Homeownership Programs Packages**

The Taloyoak Housing Authority Board of Directors passed motion #09-10-2142 at their September 10, 2025, regular meeting to request NHC to add a list of contractors interested in working with private homeowners, as part of the NHC Homeownership Programs application packages.

We find that many HRP and ERP applications in Taloyoak stall after the initial NHC approval process, due to the lack of contractors in smaller communities or lack of interest due to the small-scale nature of the projects to be undertaken.

We strongly support any initiatives to facilitate the successful completion of these much-needed repairs and renovations in our community.

Sincerely,

Lena Pauloosie  
Chairperson, Board of Directors  
Taloyoak Housing Authority
