**Regular Members' Caucus Presents First-Ever
Letter of Expectation to the Executive Council**

IQALUIT, Nunavut (May 29, 2019) - John Main, Chairperson of the Legislative Assembly's Regular Members' Caucus, today tabled the first-ever *Letter of Expectation* to the Executive Council of Nunavut.

Chairperson Main said, "When all Members of the Legislative Assembly held our Retreat in Pond Inlet following the 2017 general election, we made the decision not to undertake a formal mid-term review of the Executive Council. As we now approach the mid-point of our term of office, the *Letter of Expectation* that the Regular Members' Caucus has presented to the Premier articulates our expectations for all Cabinet Ministers and makes it clear that their performance will be evaluated on an ongoing basis for the remainder of the life of this Assembly."

Copies of the *Letter of Expectation* may be downloaded from the Legislative Assembly's website at: <https://assembly.nu.ca/tabled-documents>.
