Document #	Canadian Institute for the Study of Inuit Culture Document #	Response to the Auditor General's Report	Next Step
55	The Canadian Institute for the Study of Inuit Culture (CISIC) has developed a response to the Auditor General's report. The response highlights the actions taken by the Government of Nunavut to address the findings and recommendations. It includes a detailed explanation of the implementation of the recommendations and the progress made. The response also identifies areas where further work is required and outlines the next steps for addressing these areas.	The response to the Auditor General's report is a comprehensive document that details the actions taken by the Government of Nunavut to address the findings and recommendations. It includes a detailed explanation of the implementation of the recommendations and the progress made. The response also identifies areas where further work is required and outlines the next steps for addressing these areas.
