Hamlet of Taloyoak
Resolution 2017-01

Subject: Depreciation of GN assets.

Whereas; The Government of Nunavut sets the standards for municipal accounting.

And Whereas; The Government of Nunavut has informed the Municipalities that there will be no increases in Municipal funding.

And Whereas: Most Nunavut Municipalities are in need of increased funding.

Therefore be it resolved that; The Government of Nunavut removes the GN assets from the Municipalities financial records.

And therefore be it resolved that; The Government of Nunavut depreciates the GN assets on government's financial statements.

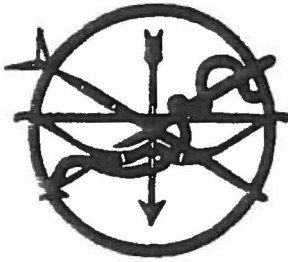

And therefore be it resolved that: The Government on Nunavut gives back the depreciation from the past year that has been recorded on Municipal financial statements,

Hamlet of Taloyoak
Resolution 2017-02

Subject: Reserve funding increase.

Whereas; The Government of Nunavut sets the standards for municipal auditing.

And Whereas: Most Nunavut Municipalities are in a deficit.

Therefore be it resolved that; The Government of Nunavut removes the requirement for auditors to increase reserve funding when the Municipality is in a deficit.

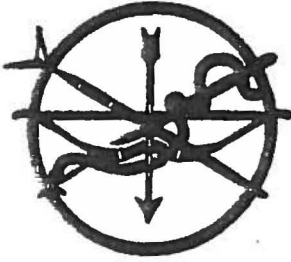

And therefore be it resolved that: The Government of Nunavut requires the auditor to record the reserve funding increase as a note to the audited statement when the community is in deficit.

Hamlet of Taloyoak
Resolution 2017-04

Subject: GN Northern Allowance rates.

Whereas; Nunavut Municipalities are not receive enough municipal funding from the Government of Nunavut to provide the Northern allowance to their employee's at the rate the Government of Nunavut gives to their employee's.

Therefore be it resolved that; The Government of Nunavut increases municipal funding to match the northern allowance that the GN provides to their employee's.

And therefore be it resolved that: When the GN increases funding for the northern allowance that the Municipality passes on though increase funds to their employee's.

Hamlet of Taloyoak
Resolution 2017-03 Subject: Power Pole installation.

Whereas; Most Nunavut Municipalities are in a deficit.

And Whereas: The installation of power poles and power lines should be a cost of business to Qulliq Energy Corporation.

Therefore be it resolved that; The Government of Nunavut amends the Land Administration bylaw in each community to reflect the change in responsibility for the installation of power poles in each community.

And therefore be it resolved that: The Government of Nunavut requires Qulliq Energy Corporation to rent the space that the power pole sit on from the Hamlets at a rate of 100.00 per year per pole.
