January 2018

To Members of the Legislative Assembly:

I am pleased to share with you the Nunavut Housing Corporation's (NHC) 2018/19 Proposed Construction Report.

The allocation of the 95 public housing units funded by CMHC was approved in fall 2016. The new allocations of 35 public housing units and 23 staff housing units are the proposed numbers based on the GN Capital Budget of \$17.5 M for public housing and \$5 M for staff housing. The staff housing construction is based on an additional \$7.3M carry-over funding from prior years.

If you have further questions about the NHC's proposed construction, please feel free to contact the President of the Nunavut Housing Corporation.

Sincerely,

Bob Leonard Chairperson, Nunavut Housing Corporation Board of Director
